## Why Join PTA

If this is your first experience at Rabbit Creek Elementary School, the Rabbit Creek PTA would like to welcome you and extend an invitation to join us in helping to make a wonderful school year for you and your child. Rabbit Creek has always enjoyed a very active PTA that sponsors numerous programs that can greatly enhance the school experience. PTA is an organization dedicated to the education, health, safety, and well being of children and youth. The Rabbit Creek PTA has been a vital link in bringing the home, school, and community together in addressing child-related concerns.

For those looking to get involved, throughout the year there will be opportunities to help with many of these worthwhile programs. For those of you with limited time, you can show your support simply by paying \$10 for individual membership or \$15 for a family membership and joining the PTA. Rabbit Creek PTA sponsors and supports a TON of activities and programs for students, staff members and our school community each year. We are a 100% volunteer-run organization made up of over 200 members and we welcome involvement and ideas from ALL parents and staff members.

**Everyone is invited to attend our monthly meetings in the Library** which are generally the second Tuesday of the month at 7pm. Stay informed by reading our [bi-monthly school newsletter](#), Frequently checking our [PTA website](http://www.rabbitcreekpta.org) (<http://www.rabbitcreekpta.org>) and by joining our closed [Facebook Group](#), [“Rabbit Creek School PTA.”](#)
